

Modern Sexuality: The Truth about Sex and Relationships (Hardback)

Filesize: 5.33 MB

Reviews

Completely essential read book. I could possibly comprehend every little thing using this written e book. You wont sense monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).
(Rosendo Douglas DVM)

MODERN SEXUALITY: THE TRUTH ABOUT SEX AND RELATIONSHIPS (HARDBACK)**DOWNLOAD**

ROWMAN LITTLEFIELD, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Human sexuality today stands at the crossroads between biological diversity and social conformity, and a battle between the two rages in the media, in social institutions, and in our daily lives. As a sex therapist, Michael Aaron witnesses this struggle each and every day as it plays out on his therapy couch. Modern Sexuality: The Truth about Sex and Relationships examines how biology and society collide head-on in the realm of human sexuality. Here, Aaron carefully and convincingly debunks some of the most commonly held beliefs about sexuality - that it is learned and can be changed; that abnormal sexual behavior is pathological; that healthy sexuality involves intimacy; that intimacy is the same to everyone; and that sexuality must have a clearly defined purpose. Using groundbreaking brain-imaging studies and cutting- edge psychological insights, Modern Sexuality presents the overwhelming case for sexual diversity including orientation, non-traditional relationships, and even specific fantasies and kinks. In a world where sexual outsiders battle for acceptance, this work helps to explore the variety of sexual expressions from a normative standpoint, helping readers to understand that their own desires and those of others can happily exist on the same continuum.
