

A Pre-Emptive Strike

By MR Haim Kadman

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. MR Haim Kadman (illustrator). 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The thriller that opens up my 15th book "A PRE-EMPTIVE STRIKE" is a gripping actual espionage thriller as far as I m allowed to judge. Its word count is 15,455 words, while the entire book includes 21 additional short stories of suspense and adventure, which have been written since the beginning of 2013. The entire book word count is 36,135 words. I believe that my 15th book titled "A PRE-EMPTIVE STRIKE" represents my best creation along three decades of writing. The plot of this book "A Pre-emptive Strike" is a work of fiction, and is a product of the author s imagination. The plot s main figures and different characters names, and the plot s background descriptions might remind real persons and locations; as the book s purpose is to praise human wisdom, endeavors and accomplishments, there is no harm, offense or insult in it s being a facsimile plot of real life almost.
