paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pub Date :2004-10-01 Publisher: China Customs Press Long denim features and comment on the Chinese people. the dragon has some mystical properties from heaven down to the earth. can also rise from the mortal to the kingdom of heaven. Long the first emperor of the Central Empire brought from heaven. it became a symbol of the nation. The Chinese believe that the dragon sub or Dragon. Americans believe that the Cowboys are good. they may become a robber and thieves. Chinese people from the two aspects of understanding the behavior of the American cowboy - it to be viewed from the latter perspective. Especially because the Americans had invaded in the 19th century China. Any one of the people interested in Chinese enterprises must read! Long earners this book profoundly analyzed people often encounter when engaged in commercial activities in China. the business environment. time. thought process a misunderstanding. Dragon and cowboy Description As far as China is concerned. the door of the business opportunities are gradually open - especially after China's accession to the WTO and its success in the competition in the 2008 Olympics. Has a significant impact on the Gold Rush era - especially in China and the United States - is coming. However. between the Eastern and Western world there is difficult to compare the differences. How companies will take advantage of these opportunities? Beyond the obvious language barriers and cultural differences are classified as micro-recorded. this difference can be contributed and easy. can also be a deal breaker. Readers from the experience of Charles Lee some gains - he is engaged in business activities in the two countries. China and the United States. complete with...
