The Time Machine: A Classic Science Fiction Novel (Paperback)

By H G Wells

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Time Machine by H. G. Wells The book s protagonist is an English scientist and gentleman inventor living in Richmond, Surrey, in Victorian England, and identified by a narrator simply as the Time Traveller. The narrator recounts the Traveller s lecture to his weekly dinner guests that time is simply a fourth dimension, and his demonstration of a tabletop model machine for travelling through it. He reveals that he has built a machine capable of carrying a person through time, and returns at dinner the following week to recount a remarkable tale, becoming the new narrator. In the new narrative, the Time Traveller tests his device with a journey that takes him to A.D. 802,701, where he meets the Eloi, a society of small, elegant, childlike adults. They live in small communities within large and futuristic yet slowly deteriorating buildings, doing no work and having a frugivorous diet. His efforts to communicate with them are hampered by their lack of curiosity or discipline, and he speculates that they are a peaceful, communist society, the result of humanity conquering nature...
