Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The short story developed from ancient traditions of oral storytelling dating back to the Iliad of Homer through the tales of Aesop and on down via Chaucer and others up to the present day. There seems to be no firm consensus regarding the point at which a short story becomes a novella or a full blown novel. The Science Fiction and Fantasy Writers of America came up with their own rule that anything with a word count below 7,500 characters should be regarded as a short story. That depends on the font, layout and so forth, but basically it means a story that runs to somewhere between 15 and 20 pages. Most of the stories in this book fall into this category. This collection represents various tales I had written between around 2000 and early in 2014 but for the most part either never finished or totally forgot about as I worked on other projects. Shortly before completing my first published work *The Twain Shall Meet* (also on Amazon) I came across several of my uncompleted doodles and half-born works of fiction in totally overlooked Word files. There and then I resolved to finish each and every one and launch them all together into the literary universe. It kicks off with *Beauty and the Beer* which is a rambling series of observations written mostly on a theme of drinking and beauty and how often they collide. The next piece, *The Venus Flytrap* is a science-fantasy love story set a few decades in the future. Humanity is about to move out into the Solar System but the hunter gets caught by the game. That is followed by my good...
