Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the Redneck Riviera ! Or, as many people call it, the Forgotten Coast. Once you visit this quiet area of the Florida Panhandle, however, you ll never forget it, I promise you. This part of Florida has nothing in common with South Beach and Miami, and the people here prefer it that way. Here s you ll fine a complete guide (updated a couple of times a year) for everything you need to experience a great Long Weekend in Pensacola. You ll love the area s wide beaches, the low-key lifestyle and the endless supply of great seafood. We ve always preferred the Florida Panhandle to other parts of the West Coast-it s less crowded, the people are more down-to-earth and the prices are cheaper. We found a couple of nice restaurants in this Guide we hadn t known about before. --- Louise S., Boston Was really happy with the restaurant selection-and the shortness of the book. I got everything I needed to know in no time at all. We checked out 2 of the inns and chose the second one we visited. No filler and fluff in this handy guide. --- Charleen H., Chattanooga You ll save a lot of time using this concise guide. =Lodgings, variously priced =Fine budget restaurants, more than enough listings to give you a sense of the variety to be found. =Principal attractions -- don t waste your precious time on the lesser ones. We ve done all the work for you. =A handful of interesting shopping ideas.
