Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What if one day you could reinvent your sins instead of being forgiven for them? What if you could take back a mistake or a misjudgment, a compulsion and turn it into a second chance without risking your liberty or sanity. Felix X. Cole is a brilliant madman who dared to dream. A man of his time living in a society that might have outgrown itself. This is a satire about crumbling morals and fragile denizens in a throwaway culture saturated with adolescent wisdom who never gets it right the first time. A surreal throw down between Rockwellian depiction and the disenchanting persons on the street. Apples from the garden of Eden is a thought provoking story that raises the question. If you were given a second chance to fall in love again after what it cost you the first time. could you beat the odds? Even Adam should get a second chance.
