Reviews

This ebook is fantastic. It is probably the most awesome book i actually have read. I found out this ebook from my i and dad suggested this book to understand.

(Ethel Mills)

HEAVY METAL: CONTROVERSIES AND COUNTERCULTURES

Equinox Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Heavy Metal: Controversies and Countercultures, Titus Hjelm, Keith Kahn-Harris, Mark LeVine, Heavy metal is now over 40 years old. It emerged at the tail end of the 1960s in the work of bands including Iron Butterfly, Vanilla Fudge, Jimi Hendrix, Deep Purple, Led Zeppelin and - most importantly - Black Sabbath. In the 1970s and early 1980s, heavy metal crystallised as a genre as bands such as Judas Priest and Iron Maiden removed most of the blues influence on the genre, codifying a set of basic metal characteristics that endure to this day: distorted guitars, aggressive vocals, denim, leather and spikes. In broad terms, wherever it is found and however it is played, metal tends to be dominated by a distinctive commitment to 'transgressive' themes and musicality causing it to be frequently seen as controversial music. Controversies surrounding the alleged (and often documented) connection between heavy metal and, variously, sexual promiscuity, occultism and Satanism, subliminal messages, suicide and violence have all made heavy metal a target of moral panics over popular culture. Metal has variously embraced, rejected, played with and tried to ignore this controversy. At times, the controversy dies down and the previously transgressive becomes relatively harmless - as in the transformation of Ozzy Osbourne from public enemy to loveable dad. Still, metal remains irrevocably marked by its controversial, transgressive tendencies. Indeed, the various moral panics that metal has been subjected to are not only constitutive, at least in part, of metal scenes, but are encoded in metal's transgression itself. As with hip-hop's "ghetto" roots, metal's history of extreme sonic, lyrical and visual messages continue to give it credibility with new generations of fans today. The aim of this anthology is to analyse the relationship between heavy metal and society...
