# ADAPTIVE WATERMARKING UTILIZING PSYCHO-VISUAL PERCEPTION

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Application to Digital Images | For legal authentication of digital images, watermarking is a well-established tool. Watermarking in document images is necessary for authentication of digital library based applications, mostly. Signature, logo or time stamp can be embedded into digital image without any perceptual variance. On the other hand, for efficient utilization of storage space and bandwidth of communication channel, digital images are compressed ensuring fair amount of quality. This book aims...
