Kensington Publishing, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Behind the gates of Emerald City, one of D.C.'s deadliest projects, is a million dollar empire guarded by the Gatekeepers--four fearless females who are more than just pretty faces. Nobody makes a move without them knowing it--including the hustlers who put them on the throne. Under the pit bull-like watch of Mercedes, Yvette, Kenyetta, and Carissa, the money and the drugs are flowing into Emerald City. They've got heat packed in their designer purses, and as long as they're scorched in the sheets with the hustlers they love, everything's cool. But when Yvette's man, Thick, goes on a power trip and brings an outside chick into the picture, the security of the operation is jeopardized and emotions run wild--on both sides. Once they shared their hearts, their beds, and their kingdom. But feelings are interfering with business. Now it's war. Who will win? The men who taught the Gatekeepers the rules of the game--or the women who are about to change them.
