Regain Control of Your Mind Life - Declutter Your Home Today! Are you surrounded by disorganization, inconsistency and clutter? Are you unable to efficiently execute small daily tasks or realize big long term ambitions? Do your goals seem impossibly distant dreams? Is your life a lop sided existence in which parts are on a high and others on a permanent low? Do you dread going home to the physical and emotional mess that awaits you? Do you feel like you have no control over much of what happens in your day? Do you want to change things starting now? Understand what s actually going on and gain the clarity of mind that comes from mental order? Become more productive, efficient, present and successful personally and professionally? When you purchase Organization: Reclaim Your Home and Life in 7 Days: Cleaning, Organization Strategies and Life Management you ll learn that real organization is first an emotional and intellectual decision which then leads to physical choices. You ll learn that linking the act of organization to your most aspirational emotions will transform it from a forced, tedious, difficult chore into an act of the highest self-expression at which to be successful therefore all we have to do is the very easy, natural, intuitive and human task of being our self! And who can t do that!? That in effect, the effort to organize is one to self identify and this will be a journey of self discovery first and thereafter one to seek a more organized world. Organization is vastly more than skin deep. We have an emotional relationship with the stuff around us and acknowledging, understanding and redefining this relationship will...
